A. B. Author, C. D. Author and E. F. Author, Title. <http://www>. Name of website, cited on date, year.

All submitted manuscript should be accompanied by a covering letter stating that the paper has not been submitted (in whole or in part) in any other journal for publication or under consideration for publication.

A manuscript will be taken for publication only when reviewers approve the originality of approach and novelty of results and that it presents original and new research and should be free from plagiarism. Manuscript should be written in good english (American or British not a mixture of both). The manuscript should be uploaded online on the website of the journal. Authors are encouraged to submit complete details of 4-5 potential referees with their e-mails to review the work.

Manuscript Preparation

We encourage the authors to download the template from journal's web site while preparing their manuscript. The submitted papers should follow the template. Acceptable formats are Microsoft word (*.doc) and *.pdf. The text should be typed one and a half spaced in one column and of size A4 (21 x 29.7 cm).All margins should be set to 2.54 cm (1 inch). The use of font preferably 12-point Times New Roman is recommended for text.

Presently there are no page charges for publication.

Copyright

After acceptance of the article , authors will be asked to sign a declaration form. It is assumed that authors have already obtained permission to use any previously published or copyrighted material or data. Accepted articles will not be published until signed declaration form is received by the editorial office.
